I Didnt think that A State Agency could take the un-sworn statements of A Company trying to Hide their mistakes By making out A pissing post From A person who Has Information that was Hidden By their Attornies!

As you know I Am Currently Incarcerated At the Utah State Prison the Documentation I Have In my possesion Can either Be viewed By you Here At the prison or upon my Release In Sept of 2015. you Decide, this Documentation was made unAvailiable For my Court Hearing And that is why It will Never leave my possesion Again.

It matters Not to me IF you people make AN ABsolute Recondite Fine towards me, you Have NO juristiction to place that on my Credit Report or even File It with the courts!

Like I Said Im Not going Anywhere If you would like to view the Documents I Have, I would Not want to Be In your Shoes

(2)

IF this matter IS taken Any Futher without myself Being ABle to Present this Documentation upon my Release.

Respectfully,

IF I RECEIVE NO visits then I AM under the ASSUMPTION that I will take up Action once I Am Released From PRISON. ALSO IF Action IS taken without my Documents to Be Allowed then I will Consider this A Fraudulent action upon your OFFICE.
