RE: State of Utah vs. Bruce Hacking
Court Case No. 041903860FS AG Case #8171-693

Please circulate this memo to persons in your Division re the Expungement of Bruce Owen Hacking's criminal record. Mr. Hacking was originally charged with Securities Fraud, Sale of an Unregistered Security and Sales by an Unlicensed Agent, along with co-defendants Zell Mills and Mickey Cochran.

In accordance with our office protocol for insuring that all files pertaining to this defendant have been sealed - and that our office fully complies with the court's order of expungement regarding the criminal charges filed against this individual - please contact us immediately if you have any of the following which may pertain to this case:

Any hard copy files	investigative reports/files
pleadings	correspondence/notes
computer disks	database entries
press releases	any other
exhibits	files/records/documents

Please gather all such files and/or records and contact us immediately at 281-1221. If this name appears in any of your databases relating to the subject case, please purge the reference from the database. The order of expungement was signed on March 31, 2008 by Judge Sheila McCleve.
