Information has just come to my attention that my filing for the above hearing was not received into your office in the matter of this hearing. I am sending again my response to said hearing and am also including my transmission verification certificate. For your records I also phoned your office and left my contact number and informed in my message that I was unable to attend this hearing as I needed to work at my job, it was impossible for me to be off. This message was left on the voicemail of Laurie. Having received no further correspondence concerning this issue I felt it was resolved. If there is anything further I may do in resolving my involvement, or more honestly, uninvolved with said issue, I may be reached at the above number.
