ORDER ON MOTION FOR CONTINUANCE

CASE NO. SD-11-0013

---

BY THE PRESIDING OFFICER:

The notice of agency action and order to show cause in this matter were filed by the Division of Securities (hereinafter "Division") on April 26, 2012. The administrative hearing on the matter was scheduled for November 29, 2012. On October 18, 2012, the hearing was continued to January 24, 2013 at the request of the Division.

On January 16, 2013, the Division filed a motion to continue the hearing to March 28, 2013. The basis for the motion is that the parties have verbally reached agreement on a settlement of the matter but need additional time to prepare and circulate a Stipulation and Consent Order for signatures.

In evaluating a motion for continuance, the presiding officer is required to determine whether good cause for continuation exists. In making this evaluation, the presiding officer must consider, among other factors, the number of extensions or continuances the requesting party has

already received. UTAH ADMIN. CODE § R151-4-109(1)(b). In addition, pursuant to UTAH ADMIN. CODE § R151-4-109(2), the presiding officer may not grant a continuation if doing so would result in the hearing being concluded more than 240 days after the matter was filed, unless certain extenuating circumstances exist. Such circumstances include the illness of a party, a party's counsel, or a necessary witness, precluding the presence of a party at the hearing; the withdrawal of counsel shortly before the final hearing; or the expediency of resolving a parallel criminal proceeding prior to completing the administrative proceeding.

In the present case, the presiding officer finds that none of the bases for continuing a matter beyond 240 days is satisfied. Further, the hearing has already been continued, such that the case is now beyond the time period mandated by the administrative rules for resolution. Therefore, the presiding officer finds that good cause for further continuation does not exist.

This order shall be effective on the signature date below.

Dated this 18 day of January, 2013.
